

## GROUPS

The **Lucie M. Walker Memorial Fund** awarded grants to two non-profit agencies focusing on infant care and youth support programs.

One of the grants was presented to the **Ulster County Diaper Bank** to provide low-income families with free diapers for their infant children. The other grant was awarded to **Camp Lightheart**, an overnight camp for children who have a mom with breast cancer or who may have lost

their mother to breast cancer.

The Lucie M. Walker Memorial Fund was established to perpetuate the memory of Lucie Walker's selfless and devoted service to her family, friends and people in need. The fund is intended to provide a permanent source of financial assistance to local service organizations that enhance the quality of life or furnish support to people in need in the community. Grants are distributed an-

nually on Lucie M. Walker's birthday.

Previous recipients include People's Place, Caring Hands Soup Kitchen, Queens Galley, Angel Food East, Phil-lies Bridge Farm Project, Resource Center for Accessible Living, Ulster County Veterans Emergency Fund, the Hunger Project of UlsterCorps, Family of Woodstock, Cerebral Palsy of Ulster County, Rip Van Winkle Council Boy Scouts of Amer-

ica, Boys and Girls Clubs of Ulster County, YMCA of Kingston and Ulster County, Ulster County SPCA, Catskill Animal Sanctuary, Friends of the Forsyth Nature Center, Hurley Heritage Society and Food Bank of the Hudson Valley.

The fund is administered through the Community Foundation of Ulster County, an affiliate of the Community Foundations of the Hudson Valley.
